Dear Sandy,

On behalf of the Community FoodBank of NJ and our entire staff, I would like to take this opportunity to thank you for volunteering. We value our relationship as your corporate partner and acknowledge that we could not accomplish our mission without your help. We hope that your team members found the volunteer experience to be both rewarding and enjoyable.

With your help during 2012, we distributed 40 million pounds of food – a number that continued to increase over prior year. As the state's largest provider of donated food, we serve more than 1,400 non-profit organizations where hungry people turn for help – food pantries, shelters for the homeless, soup kitchens, child care centers, battered women's shelters, and senior programs. These organizations provide assistance to over 900,000 New Jersey residents in need every month.

Please accept our appreciation for all of your time, energy and support. We look forward to seeing you again very soon.

Very truly yours,
